We may not have some of our younger sale rabbits listed on our sale pages - so contact us if you don't see what you want!

### Qualified Buyers

We care for our animals' welfare and because of this we reserve the right to refuse sale to anyone, at any time especially if we have concerns over how another will care for our stock.

## Hold policy

We will hold stock for 2 weeks with a non-refundable deposit of 50% of the purchase price - if you indicate that you want our stock, deposit/reservation fees **MUST** be received within 7 days of letting us know you want one of our rabbits. Otherwise, the rabbit(s) or kit (s) will be put up as available for sale again and you will receive ONE email or IM stating that. ## Quality

The animals we list on our show and breeding stock for sale pages have qualities that may be useful to someone's breeding or showing program. Pet-quality animals maybe listed here as well. Please note our description. All sale animals will be honestly represented and any known faults or DQ's pointed out. Despite this policy, we cannot guarantee your success at showing or breeding any sale animal!

### Refunds/exchanges

All sales of show/breeding stock are final-I am sorry but I don't offer refunds or exchanges! Please thoroughly inspect the sale animal before you purchase it! If you are purchasing from our online pictures - feel free to make an appointment to see the sale animal before you purchase it! If you are a new or inexperienced breeder, we encourage you to get additional opinions on the sale animal, before you buy!

### 4-H and FFA Animals

We like to promote youth programs and usually offer quality animals for sale to 4-H and FFA members at a discounted price. If you are part of a 4-H or FFA youth club and would like a discount, please come prepared to prove you are a current member. Because we have been 'in beginner's shoes' ourselves - we are aware of some of the difficulties trying to find quality, showable 4-H animals at an affordable price - you can count on us for honest help in choosing your future project animals.
